

PROPHETIC MINISTER/MINISTRY DIRECTOR ::

**Sonya Doswell
Johnston, IA**

"Now, therefore, you are no longer strangers and foreigners, but fellow citizens with the saints and members of the household of God, having been built on the foundation of the apostles and prophets, Jesus Christ himself being the chief cornerstone, in whom the whole building, being joined together, grows into a holy temple in the Lord, in whom you also are being built together for a habitation of God in the Spirit." Ephesians 2:19-22 (NKJ)

Sonya Doswell, born and raised in Seattle, WA, is called of God to serve the Body of Christ in a variety of ways. Her mother, also from Seattle and her father from Montana, grew up living a simple life with four siblings in a small home on Beacon Ave.. They grew up as the fourth generation attending a local Pentecostal Church- The Church By The Side Of The Road.

As a wife to Vernon since 1990 and mother to their 3 children, she understands the importance of keeping career, family and ministry in proper balance (Prov 31). She is an excellent example of how a woman of God in today's society can be a loving wife and mother who tends to her families' needs while powerfully used of God in ministry and traveling the globe.

She has been an international flight attendant since March of 1989. The flexibility in this career has enabled her to take leaves of absence to focus on raising the children while they were young. God has divinely placed her in this position to be used as an Ambassador to the nations. Her career as a flight attendant has enabled her to travel the world sharing the good news that Jesus is Lord! (Phi. 2:11). She has ministered to thousands of people from diverse nationalities and religious beliefs. Over the years many have given their hearts to Jesus and accepted Him as Lord and Savior. Through words of knowledge, wisdom, prophetic insight and prayer, people of all ages and races have been healed, restored and delivered from strongholds and wrong beliefs, ALL TO THE GLORY OF GOD!! She has a boldness to preach the gospel and a passion to share the love of Jesus everywhere the Lord sends her (I John 4:16-17, Is. 6:8).

Sonya delights in helping to raise up the church in practical ways as well. She has a servants' heart and it is evident through years of rolling up her sleeves and helping behind the scenes in various tasks. Whether cooking, washing dishes, serving food or vacuuming Sonya has always been eager to serve as unto the Lord (ICor.10:31). She believes every level of ministry and service is to be equally valued and every individual should be honored.

She has served in leadership with Women's Ministries, Prayer/Intercession Ministries, Youth Ministries and Children's Ministries as well as assisted in several other areas within the church. In some of these ministries she and her husband, Vernon, served together.

She has lead discipleship meetings/groups, prayer meetings and cell group meetings in their home over the years. So many wonderful things are accomplished in smaller intimate home-group settings in addition to what the Lord is doing within the larger church meetings. They believe that genuine, faithful relationships within the body create community.

Sonya is a licenced and ordained minister through Vision Fivefold International. From 1994 Sonya has taught classes to people from the young babes to some of the older, more seasoned and experienced of the Saints. She teaches on prayer and intercession with a desire to see every believer live a lifestyle of prayer and fasting to bring transformation to individuals and nations (Es. 4:16, Mt.17:21). She teaches church leadership how to establish prayer watches within each local body (Ps. 55:17). Also, the importance of each church holding a prayer meeting where that body gathers weekly in fervent, corporate prayer and intercession for the will of God to be revealed, protection and coverage, revelation and divine strategies and anointing to carry out His perfect plan for that house and the nations beyond (Mt. 21:13a). Other topics she teaches on are; the importance of the prophetic and the coming together and functioning of the fivefold ministry for the equipping of the saints (Eph.4:11-16) and moving, with power and authority, in the spiritual gifts (I Cor. 12). She believes that each and every believer has been given gifts from God and she encourages the saints to allow the Holy Spirit to move freely through them to be a blessing to others.

Sonya desires to see destinies fulfilled and God-given purposes pursued. She shares about the importance of unity within the body and walking in love, forgiveness and humility (Col 3:12-13, Eph. 4:1-6). She encourages the saints to walk by faith (II Cor. 5:7) and be lead of the Spirit (Rom. 8:5).

They believe that regardless of denomination or ministry affiliation God is calling us to be unified (Act. 2:42-47), as one body and praying in one accord (Act. 1:14, Phi. 2:2). That we are to come together arm in arm, shoulder to shoulder and be a part of His endtime army to defeat the devil and gather the endtime harvest. God has anointed her to be a Networker for the Kingdom, bringing together various ministries and ministers for Kingdom purposes.

She has been strategically used of the Lord to bring breakthrough to many other ministries and companies in various areas. Whether assisting as a key player on the front line or through prophetic intercession and prayer behind the scenes, she yields to her Fathers' directive for His purposes to be accomplished for that ministry. She also moves in dreams and visions which has been effectively used in decision-making for them (Jer.23:28). She ministers prophetically to pastors and leaders.

Sonya and her team organize conferences, seminars, workshops and classes. Through these events and teachings the church is being better equipped for the works of ministry. Anointed worship is always utilized to set the stage for the ministry time and teachings (Ps. 95:6-7). The captives are set free, destinies revealed, relationships restored, intimacy with Jesus increased, the gifts are stirred up and many are pressing in through fervent prayer and intercession for the first time in their Christian lives. HALLELUJAH!! (Phi.4:6, Act.6:4, Eph 6:18, Is. 61:1-3).

Sonya has had the privilege to sit under the anointed teaching of some of the most powerful leaders in ministry today. She has been discipled and mentored by Godly men and women who have sown into her life. She has been committed to studying the Word and allowing the Holy Spirit to take her through the school of ministry. She encourages others to be all that they can be in Christ Jesus...by His grace and His blood. And to see themselves as God sees them. It's a continual growing process that we're all walking through together. We only know in part and prophesy in part (I Cor.13:9). Praise be to God!!

Today, Sonya, with her husband Vernon, and their 3 children reside in Des Moines, Iowa, USA. In March 2003 they relocated from their home in Seattle, WA, leaving family, friends, ministry and their home church-The City Church-Kirkland, WA. to accept a promotion with Vernon's company which is one of the worlds leading financial services companies. It is from this location where the base of Glory! Global Ministries reaches out to the church/marketplace and the nations for their strengthening and the saving of souls. Together they serve and fellowship at Alive First Assembly-Des Moines, IA.
