Glory! Global Ministries' vision is to equip, encourage, and train the saints to be more effective in ministry for the glory of God in the gathering of the endtime harvest. We believe through fervent consistent intercession that the Body of Christ shall arise in unity to fulfill the great commission. We are called to be an apostolic bridge for the cross culminating of diverse ministries around the globe. This is achieved through prophetic revelation, divine networking and strategic training of believers and leaders within the church and the marketplace.

Glory! Global Ministries serves the Body of Christ through prophetic teaching, conferences, and various support ministries. Sonya has a passion for intercession and desires to encourage the saints to fulfill their God given destinies for the salvation of souls.
